National Institute of Technology,
Silchar, Cachar, Assam- 788010

Subject: Extension of the Period of Accreditation Status granted to PG Engineering Programs offered by National Institute of Technology, Silchar, Cachar, Assam- 788010.

Sir,

This has reference to NBA's letters of even number dated 04-02-2017 under which following **PG Engineering** programs offered by your institution were granted provisional accreditation for 2 years up to 30-06-2018 in Tier-I by National Board of Accreditation.

2. National Board of Accreditation (NBA) has decided that in all cases where PG Engineering programs of an Institution were granted provisional accreditation for a period of 2 years, the period of accreditation of these program(s) shall be extended from 2 to 3 years subject to the condition that they meet the essential pre-visit qualifiers submitted by National Institute of Technology, Silchar, Cachar, Assam- 788010. The following PG engineering programs meet the essential parameters of pre-qualifiers. Accordingly, the competent authority in NBA has approved the following accreditation status to the programs as given in the Table below:

Sl. No.	Name of the Program(s) (PG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Transport Engineering	Tier-I Document	Accredited	Academic Years 2018-2019 i.e. up to 30-06-2019	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Design and Manufacturing				
3.	Structural Dynamics and Earthquake Engineering				

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation upto 30-06-2019. **National Institute of Technology, Silchar, Cachar, Assam- 788010** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **National Institute of Technology, Silchar, Cachar, Assam- 788010** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary
